Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Monroe County Wastewater Treatment Project in fiscal year 2025. The entity to receive funding for this project is the County of Monroe, located at 1 Quaker Plaza, Stroudsburg, PA 18360-2141. The funding would be used for a wastewater treatment infrastructure upgrade and relocation. The project is an appropriate use of taxpayer funds because it will provide needed infrastructure upgrades to keep the community's water quality safe without adding financial burden to a 4th class county.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Matt Cartwright
Member of Congress
