Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Veterans Permanent Supportive Housing Project in fiscal year 2025. The entity to receive funding for this project is Lackawanna County, located at 123 Wyoming Avenue, Scranton, Pennsylvania 18503. The funding would be used to renovate a condemned house in South Scranton into an eight-unit affordable veterans housing unit. The project is an appropriate use of taxpayer funds because it would create a permanent veterans affordable housing facility and ensure services are provided to help transition low-income and/or at-risk veterans back into their communities.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Matt Cartwright  
Member of Congress
