Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Archbald Borough Municipal Complex Project in fiscal year 2023. The entity to receive funding for this project is the Borough of Archbald, located at 400 Church Street, Archbald, PA 18403. The funding would be used for maintaining Archbald Borough's long-standing approach to update our facilities in accordance with our Comprehensive Plan. The construction of the municipal complex building project will include Borough Council Chambers, Meeting Rooms, Administrative Offices, Emergency Operations Center, Regional Police Station, Municipal Court, and Department of Public Works facilities. In November 2021, Archbald Borough purchased a 3.5 acre parcel from Northeast Educational Intermediate Unit No. 19. Council also contracted with Kimmel Bogrette Architecture, Blue Bell, Pennsylvania to design the buildings on the parcel to include new state-of-the-art spaces for the Municipal Complex. The focus of the project was to design a facility of the highest aesthetic character while meeting the important practical matters of function and budget. In March 2022, a plan and design was completed for the facility that suits the specific needs for Archbald local government in a fiscally responsible way.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Matt Cartwright  
Member of Congress
