Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Terminal Expansion and Improvements at Wilkes-Barre/Scranton International Airport (AVP) Project in fiscal year 24. The entity to receive the funding is the Wilkes-Barre/Scranton International Airport, located at 100 Terminal Drive, Suite 1, Avoca, Pennsylvania, 18641. The funding would be used to expand terminal space by approximately 10,000 square feet and to implement a separate exit lane for arriving passengers, which will include the latest technology and expedite security screening. The project is an appropriate use of taxpayer funds because it will advance public safety and security at the airport, which is currently compromised by poor passenger traffic flow.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Matt Cartwright  
Member of Congress
