Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for Wyoming Valley Sanitary Authority Streamwater Restoration, Stormwater Basin Retrofits, and Pump Station Generator Acquisition in fiscal year 2023. The entity to receive funding for this project is the Wyoming Valley Sanitary Authority, located at 1000 Wilkes-Barre Street, Hanover Township, PA 18706. The funding would be used for the restoration of 2,100 LF of stream to improve in-stream water quality, with upgrades to 2 large extended detention stormwater basins to improve stormwater quality effluent. It would also be used for upgrades to a combined sewer outfall (CSO) structure located along the Susquehanna River to provide primary treatment to improve effluent quality and installation of a generator to provide secondary source/backup power for a high-capacity wastewater pump station.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Matt Cartwright
Member of Congress
